March 8-10, 2024 (Online)

## *Changing The Dynamics Of Conflict Into Personal Freedom And Growth*

The personal freedom gained by realizing ones own ability to resolve conflict is a gift... to oneself... and the butterfly effect it creates, first within, then without... allows ones own self accountability to be reflected back with elevated clarity.

In this class, tools are shared for each individual, as well as the group, to recognize self-empowerment in resolving conflict.

You are invited to this adventure of self-discovery, with curiosity, applying your resolutions for growth. **What would you create?**

This course, is approved by Brain Gym® for initial Licensure and Re-Licensure of Brain Gym® 101 course Instructors. Brain Gym® is under the umbrella of Breakthroughs International.
